Dear Mr. Heramia:

This letter is to inform you that Boeing Realty Corporation (BRC) will be installing two wells on the property that you are leasing located at 1451 Knox Street in Los Angeles, California (Site). The wells will be located east of the building as shown on the attached Figure 1. Field activities will start on 17 October 2006 and may take up to four weeks.

The equipment on-Site will include one sonic drilling rig with a three-man crew, a support truck, and an oversight geologist.
